Thanks to all of you who took part in round 3, new and returning competitors alike! This round proved to be a bit rougher than usual, both on your end and ours. To start, there were no perfect scorers in either division. Although the first three problems of both divisions had many wonderful full and partial solutions, the last problems seemed to have perplexed everybody. Indeed, getting 100% on either of them required a fair bit of tricky preprocessing.

On the other hand, we also did run into some issues with the problem statements and test data. The issues have all been addressed in comments to the corresponding problems on the judge. Although we strongly believe that these issues had a negligible effect on the overall results, we nonetheless promise to be more careful in the future.

Regardless of how you did, you are encouraged to read the analyses and try again to solve all of the problems you missed. There's truly no better way to improve! Now without further ado...

The senior division prizewinners for this round are:

1. **Timothy Li** of Don Mills Collegiate Institute (\$200)
2. **Jeffrey Xiao** of University of Toronto Schools (\$100)
3. **Jason Yuen** of Pierre Elliott Trudeau High School (\$50)
4. **Bill Zheng** of Richmond Green Secondary School (\$50)
5. **Weiwei Zhong** of Glenforest Secondary School (\$50)

The junior division prizewinners for this round are:

1. **Jonathan Chang** of Don Mills Collegiate Institute (\$50)
2. **Allan Xu** of Woburn Collegiate Institute (\$25)
3. **Christopher DeGuzman** of Glenforest Secondary School (\$25)

Congratulations! These prizes will be distributed as Visa gift cards, and we will be contacting your teachers shortly about sending them out. If you haven't won a prize, keep on practicing! We have many more prize opportunities for you throughout the year.

Problems and solutions for this round are now posted at: woburnchallenge.com/past-contests. Once again, we thank all of you who participated, as well as teachers for sharing this with your students. We hope to challenge you further during the last online round of the season in early April. Oh, and one last remark: be on the lookout – the finals are coming!

Sincerely,
The Woburn Challenge Team
