## Comments

---

Thank you for joining us in our third online round, new and returning participants alike. The finals are coming into view, and we hope you're finding our questions more mind-bending than ever!

This time, there were no perfect scores in the intermediate division and only one perfect scorer in the senior division. Alas, it took three rounds before Brian Chau of Woburn was finally able to de-crown the young reigning champion, Zixiang Zhou. We would burst into our Wildcats cheer now, but we fear that this could just be a temporary victory. Round 4 is the only way to find out!

The senior division prizewinners for this round are:

1. **Brian Chau** of Woburn Collegiate Institute (\$100)
2. **Zixiang Zhou** of University Heights Public School (\$50)
3. **Ava Pun** of Marc Garneau Collegiate Institute (\$25)
4. **Allan Xu** of Woburn Collegiate Institute (\$25)
5. **Evan Yu** of Iroquois Ridge High School (\$25)
6. **Arielle Shannon** of University of Toronto Schools (\$25)
7. **Henning Jiang** of Vincent Massey Secondary School (\$25)
8. **William Huang** of Woburn Collegiate Institute (\$25)

The intermediate division prizewinners for this round are:

1. **Michael Huang** of Bell High School (\$50)
2. **Sharujan Sreekaran** of Glenforest Secondary School (\$25)
3. **Aaron Tang** of Churchill Heights Public School (\$25)
4. **Jeffrey Gao** of William Lyon Mackenzie Collegiate Institute (\$25)

Finally, we would like to applaud another job well done to the top Junior finishers (all with perfect scores): **Robert Chung** of Churchill Heights Public School, and **Henry Guo** of A.Y. Jackson Secondary School. To all you juniors who are doing well – why not try a harder division next round? :)

Congratulations! These prizes will be distributed as Visa gift cards during the on-site finals in May to which all of the above winners are invited (more details to come later). Do not fret if you may not be able to make the final round in person – we will mail your prize to you afterwards.

Remember that we will have many prizes in the remaining rounds of the year, so keep on practicing! Problems and solutions for this round are now posted at: [woburnchallenge.com/past-contests](http://woburnchallenge.com/past-contests). Once again, we thank all of you who participated, as well as teachers for sharing this with your students.

Sincerely,  
The Woburn Challenge Team  
March 26, 2018
